TEACHING METHODS

- ✓ *Lecture*
- ✓ *Class Discussions*
- ✓ *Hands-on*
- ✓ *Reading & Writing assignments*
- ✓ *Use of technology & instruction resources*
- ✓ *Teaching methods for all learning styles (visual, auditory, tactile/kinesthetic, etc.)*

GRADING & ATTENDANCE POLICY

All students must maintain a minimum grade of 70% for all massage therapy related course and clinical work as described. All students are responsible for coming to class prepared and on time. There is a certain number of days that each student can miss per course to maintain a minimum grade of 70% in each course. After that it is the student's responsibility to make-up any lecture, hands-on, homework, exams, etc. See attached Veterans Addendum for specific grading and attendance policies specific for eligible veterans.

REFUND / CANCELLATION POLICY

- **Cancellation Policy:**
 - Bodycraft Wellness & Massage Center, LLC reserves the right to limit enrollments or cancel any class. Every effort will be made to notify registrants when a class is cancelled. Students may choose alternate courses if available or receive full refunds if the classes are canceled before scheduled start date. All paid fees are non-refundable if classes have already started.

- If necessary, a student may choose to cancel their enrollment prior to the start of the program, or elective course. Requests to cancel must be submitted in writing or via email to BODYCRAFT WELLNESS & MASSAGE CENTER's owner and/or administrator, and must be received at least ONE business day BEFORE the classes are scheduled to begin.
- Tuition---payment must be received in full at time of enrollment. A non-refundable administrative fee of \$495.00 will be kept from full tuition payment if and only if a student decides to withdraw less than 10 days to programs scheduled start date. If student withdraws 1 business day prior to program start date the student will receive full tuition refund minus the \$495.00 administrative fee.
- Acknowledgment of cancellation will be provided.
- **Withdrawal Policy:** Students, who elect to withdraw from the program once the class schedule has begun, must submit a withdrawal request in writing or via email to the BODYCRAFT WELLNESS & MASSAGE CENTER's owner and/or administrator. Refer to the *Refund Policy* for more details.
- **Refund Policy:**
 - No refunds will be granted after a class begins (massage program electives and/or general classes).
 - If extenuating circumstances exist (i.e., military activation, death of immediate family member, or serious medical condition) a student may submit a *Tuition Appeal* form with supporting documentation in writing or via email to BODYCRAFT WELLNESS & MASSAGE CENTER's owner and/or administrator. A *Tuition Appeal* does not automatically result in a refund. *Tuition Appeals* may be submitted within the semester in which the student was enrolled in the program.
 - Refund of monies spent on course equipment and classroom materials is NOT refundable.
 - Refunds are issued only when the Cancellation and Withdrawal policy guidelines are properly followed.
 - Refund check (if eligible) will be issued based on the refund schedule within 30 days upon proper receipt of cancellation or withdrawal.
 - Refund check will be made payable to the original payee and sent by mail to the student address on file.

Veterans Addendum: see attached veteran's addendum policy for more detailed information regarding specific requirements for eligible veterans. All eligible veterans must follow specific guidelines in this catalog under grading, attendance, and refund cancellation policy per Bodycraft Wellness & Massage Center, LLC and in addition must also follow separate veteran addendum listed. All eligible veterans

must maintain an 80 % attendance rate and a minimum of 80% for each subject/lesson in the Massage Therapy Program. See attached document for those who apply.

Program Course Descriptions

History & Theory (20 hours)

H & T- 8 classes

In this course students will learn about the history of massage and bodywork. Students will receive an overview of different skill sets used in different environments. Students will also learn about different massage and bodywork modalities.

Anatomy & Physiology (75 hours):

A&P- 25 classes

Students will learn the structure and function of every system in the human body. Students will have a general understanding of healthcare related and medical terminology. This course will also cover concepts about the energetic anatomy and how the human body has the amazing ability to heal itself when allowed.

Kinesiology for Massage Therapists (75 hours):

Kinesiology- 25 classes

Students will learn how to locate and palpate the major muscle groups as well as the skeletal bony landmarks in the human body. Students will also be able to identify the origin, insertion, action, and fiber direction of these major muscles. Students will understand the structure and function of the joints and muscles.

Fundamentals of Therapeutic Massage & Bodywork (87.5 hours)

This course will cover the basic Massage therapy techniques and session protocols. In this class students will learn basic techniques, styles of draping, proper use and safety of equipment, personal hygiene, cleanliness, safety practices, therapist care, benefits, etc.

Deep Tissue Massage Techniques and other modalities (80.5 hours)

This course will cover advanced Massage therapy techniques and other modalities in our industry. In this class students will learn advanced techniques and session protocols. Students will learn advanced hands-on techniques, which can be applied in our student clinical experiences, as well as community outreach experiences.

Student Clinic, Research, Law, and Ethics (110 hours)

In this class, students will be required to complete their student clinic massages. This class is an internship within the massage program, highlighting key points in Law and Ethics. This class will also full fill the remaining hours in research and will teach students how research is essential in the growth of the massage therapy profession.

Community Outreach (7 hours)

Students will have the opportunity to participate in volunteering their services in the community. Students will have to opportunity to offer free chair massages at specific volunteer events in the area (events provided by the school). Students will tour facilities in our area looking for employment in the field of massage therapy (this is provided by the school).

Pathology (40 hours)

Patho- 16 classes

In this course students will be able to identify common pathologies, contraindications, areas of caution, special populations, and classes of medications.

Business/Wellness/Ethics (25 hours)

BWE- 10 classes

In this course student will recognize the value of taking care of oneself when working such a physically demanding job. Students will also learn and discuss ethics, boundaries, laws, and specific regulations. Students will also attain skills used when they enter the business world, for example, marketing tips, types of businesses, etc.

Electives (80 hours)

Hours per each elective selected may vary. These remaining hours will not be included in tuition cost. All electives must be approved in advance. Students will have 1 year from program start date to complete all 80 hours. Refer to Rock Valley College catalog for updated course electives they will change every semester. All elective classes are NCBTMB approved. These elective courses will not be counted towards continuing education hours until student graduates, passes MbLex exam, and has an active license in state that person resides.

Program Electives

*Please see elective catalog for descriptions and pricing of electives. The program elective list will change every trimester. It is mandatory that each student will complete the minimum of **80 elective hours** in the category of massage and/or bodywork studies. Only classes offered by and only if offered by Bodycraft Wellness & Massage Center LLC and/or Rock Valley Community College will be accepted for this program. This is to ensure that the proper hours are achieved and classes meet all local, state, national, and federal requirements to complete this program. These electives will be an added expense to the original tuition payment. It is the student's responsibility to pay for the 80 hours of electives classes, as well as maintaining class approvals with above institutions noted to complete this program in addition to meeting the grading criteria noted below. All electives must be completed by program*

end date.

Disability Accommodations: Rock Valley College and Bodycraft Wellness & Massage Center is committed to providing an accessible and supportive learning environment for all students. Any student requiring an academic accommodation due to a disability should contact the Disability Support Services (DSS) office; 3 weeks advance notice is preferred. The DSS office is located on the ground floor of the Student Center and can be reached at (815) 921-2371. Office Hours: Monday-Friday, 8:00am-5:00pm.
